SUBJECT : Revision to Annex A of [REDACTED]

STA

AT 1. By way of follow-up to our telephone conversation last week, I attach the original of the memorandum approved by Mr. Colby on 21 July which accomplished the revision of Annex A to [REDACTED]. We have forwarded the original of the revised Annex A to the Interagency Classification Review Committee in the White House. This Committee in turn is submitting our regulation, together with that of other agencies, to the Federal Register people for publication in the Federal Register. In line with our conversation several days ago and since you will be publishing the revised Annex A, I believe yours is the proper office for permanent retention of the original of the memorandum.

2. When the memorandum was forwarded to Mr. Colby, Tab A was the recommended revised Annex A. Mr. Colby signed that Tab A and it is that signed copy of Annex A which we forwarded to the ICRC. We have substituted at Tab A herewith a certified copy of the document signed by Mr. Colby.
